Subject: Four Mile Run Trail Bridge Stakeholder Group Update #3 - October 31, 2022
Date: Monday, October 31, 2022 9:33:22 AM

To: Four Mile Run Bridge Stakeholder Group (BCC)

You are receiving this email per your request to be included in the Four Mile Run Trail Bridge Stakeholder Group. Since the update provided in the Spring of 2022, the City has:

1. City Council approved funding in May 2022 for bridge replacement in the FY2023 Capital Improvement Budget;
2. Completed the structural analysis and confirmed the project will include full bridge and bridge abutment replacement; and
3. Awarded a contract for design services in August 2022. City staff are currently reviewing the 30% design documents. Design is scheduled for completion in late-February 2023 with construction start anticipated to begin in late-June 2023.

City staff anticipate an update to the community following receipt of the final design documents.

Future updates will be provided through this email stakeholder group and the [Four Mile Run Park Trail Bridge](#) project page. Please forward this email to other interested stakeholders, and you may refer individuals to Jack.Browand@alexandriava.gov to be added to the Four Mile Run Trail Bridge Stakeholder email group.

Sincerely,
Jack

Jack Browand, Deputy Director, Park Services, CPM CPRP
