

# Four Mile Run Park Pedestrian Bridge Replacement Project

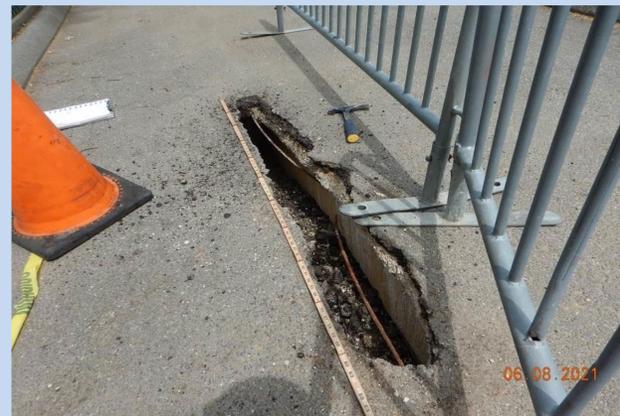

This project will replace the currently closed bike and pedestrian bridge connecting the Four Mile Run Park parking area at Commonwealth Avenue with the main portion of the park west to Mount Vernon Avenue.

For more information, visit [alexandriava.gov/go/2468](https://alexandriava.gov/go/2468) or scan the QR code below.

## EXISTING CONDITIONS OF THE BRIDGE

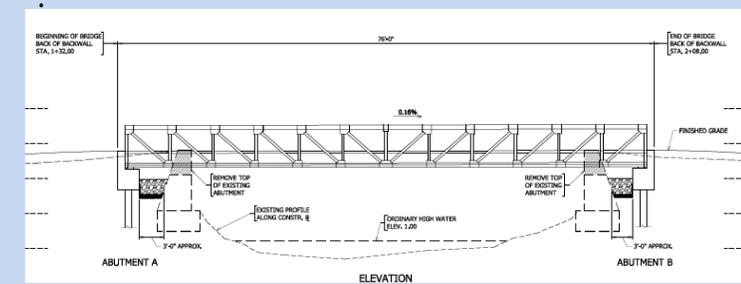

The Four Mile Run Park Bridge was closed on August 12, 2021, following a certified engineer condition assessment

## SCOPE OF THE PROJECT

The scope of work will include replacing the existing pedestrian bridge and constructing a section of asphalt trail to connect the bridge with the existing trail.

## NEW BRIDGE

- Prefabricated weathering steel truss
- 12-foot-wide reinforced concrete deck
- Supports 30,000 lb. vehicle loads
- Riprap slope protection

## CONSTRUCTION SCHEDULE

Construction is scheduled to begin by end of September 2023 and finish by the end of July 2024. General construction activities are permitted to occur Monday through Friday, 7:00 a.m. to 6:00 p.m., and Saturday, 9:00 a.m. to 6:00 p.m.
