Question:

Can we quantify the revenue received from special events?

Response:

Although we can quantify specific revenue totals by month and year, we are unable to directly connect revenue collection to exact days or events. This limitation is due to the lack of granularity in tax revenue data.

The revenue we can quantify would be revenue derived from rental fees charged by the Recreation, Parks, & Cultural Activities Department (RPCA). RPCA collected \$177,086 in FY23, \$106,510 in FY22, and \$15,014 in FY21.
