### Dear Property Owner:

By law, as of January 1 of each calendar year, the City of Alexandria’s Office of Real Estate Assessments is required to assess the value of your property at 100 percent of fair market value. This Notice of Assessment Change indicates the updated market value of your property as of January 1, 2025, as well as those for the previous two years. §58.1-3221.3(C) of the Code of Virginia established a separate class of real property used for, or zoned to permit, commercial and industrial uses for local taxation purposes. All residential property, including multi-family residential, was excluded. The commercial and residential assessments reflected on this Notice, if applicable, allocate the total assessed value for this parcel between property classifications.

To ensure the accuracy and equity of assessments, property records have been updated to reflect any new buildings, additions, remodeling, land divisions, etc. If you no longer own the subject property, Section 58.1-3330(C) of the Code of Virginia requires that you forward this Notice to the owner at his/her last known address immediately upon receipt.

The 2025 tax rate, which will apply to the January 1, 2025 assessed value, is scheduled to be set by City Council on April 30, 2025. For information regarding the Fiscal Year (FY) 2026 Budget Process and related Public Hearings on the real estate tax rate, please refer to the section “Real Estate Taxes & Public Hearings” on the reverse side of this Notice.

The total assessed value of all real property in the City of Alexandria, excluding additional assessments due to new construction or improvements to property, exceeds last year’s total assessed value of all real property by 1.8 percent. Individual property values may, however, change at a percentage greater than or less than the above percentage. The tax rate which would levy the same amount of real estate tax as last year, when multiplied by the new total assessed value of real estate with the exclusions mentioned above, would be a tax rate of \$1.115 per \$100 of assessed value.

Our office is committed to providing fair and equitable assessments, as well as the best customer service possible. We welcome your comments.

### Request for Departmental Review Must be Filed by March 17, 2025

If you feel your property is assessed above or below its market value as of January 1, 2025, or that your assessment is not equitable with surrounding properties, or is otherwise erroneous, you may request that the Office of Real Estate Assessments review your assessment. To have the Office review the assessment, please file a Request for Review of Real Estate Assessment form (see Requests for Forms below) no later than **March 17, 2025**. **There are no exceptions.** While it is not a requirement, we strongly encourage property owners to file for a Review with the Office prior to filing an Appeal. Our mission is to ensure fair and equitable assessments. Often, differences can be resolved at the Review stage prior to filing a more formal Appeal with the Board of Equalization.

### Appeals to the Board of Equalization Must be Filed by June 2, 2025

To file an Appeal with the Board of Equalization, you must submit an Appeal of Real Estate Assessment form by **June 2, 2025**. The Board of Equalization is an independent body appointed by the Alexandria Circuit Court and City Council. The City Council does not hear appeals of real estate assessments. These forms will be available on or after March 18, 2025 on our website or by contacting our office directly. Only those forms postmarked by the United States Postal Service or delivered to our office on or before June 2, 2025 will be accepted. All electronic submissions must be time-stamped 11:59 p.m. (EDT) or earlier. All data in support of an Appeal must be submitted when the form is filed. **There are no exceptions.**

### Requests for Forms and Additional Information

Forms are available on the City's website at [alexandriava.gov/RealEstate](http://alexandriava.gov/RealEstate) and at our office. Please call 703.746.4646 for general information related to the Review and Appeal process or to have forms mailed to you.

### Real Estate Taxes and Public Hearings

The 2025 tax rate, which will apply to the January 1, 2025 assessed value on this Notice, is scheduled to be set by the City Council on April 30, 2025. Until the tax rate is established, the amount of taxes to be levied cannot be determined. The City Manager will transmit the Proposed Fiscal Year (FY) 2026 Operating Budget to City Council on February 27, 2025. There will be a Public Hearing on the FY 2026 Proposed Operating Budget on March 15, 2025. There will be a Public Hearing on the Real Estate Tax Rate on April 8, 2025, during City Council's regular public hearing. Any additional public hearings, legislative meetings, or work sessions relating to the FY 2026 Operating Budget and the Real Estate Tax Rate will be posted on the City's website at [alexandriava.gov](http://alexandriava.gov). Real Estate taxes for 2025 will be billed by the Department of Finance in two installments, due June 15 and November 15. A pending Review by the Office or an Appeal to the Board of Equalization does not change the due date for real estate tax payments, regardless if remedy is deemed warranted.
