

Station #5

Housing 2040 Master Plan

Principle #5

Contribute to City land use, economic development, transportation, sustainability, climate action and public health goals.

Goal #1

EXPAND housing options that are affordable and accessible to households at all income levels, life stages, and abilities.

Goal #8

ENHANCE housing quality, safety, and livability to support resident health and wellbeing.

Goal #9

EMPOWER residents with resources to attain housing stability and economic mobility.

Goal #10

IMPROVE energy efficiency in existing housing, and **ADVANCE** green building, climate action and other sustainability goals in new residential development.
