THERE IS HOPE.

Services SDA Adult Intake may refer to include:

- Adult Out Patient Services (Co-Occurring)
- Psychiatry
- Opioid Treatment
- Substance Use Residential Treatment
- Case Management
- Intellectual/Developmental Disability Services
- Psychosocial Rehabilitation
- Transitioning Adults into Living Successfully (TRAILS)
 - » Young Adults Experiencing First Episode Psychosis
- Veterans Navigation
- Other Community Resources

The following documents are required at the time of intake:

- Proof of City of Alexandria residency
- If you're a veteran, bring your DD Form 214.
- Proof of income; services are based on a sliding fee scale
- Proof of insurance if applicable
- Proof of guardianship in cases where the designated primary client is not able to legally consent to treatment and a legal guardian has been appointed to make decisions on behalf of the client

HELP IS WITHIN REACH.

- Priority is given to those who are most at risk, Medicaid-insured, or uninsured.
- Services are available to City of Alexandria Residents.
- Staff can answer calls in English, Spanish and other languages through interpretation services.

Service for Members of the Military, Veterans, and their Families (SMVF)

The City of Alexandria and Arlington County Department of Community & Human Services have a shared program designed specifically to assist service members, veterans, and their families in connecting them with behavioral healthcare, developmental, and supportive services to reach their wellness goals.

For additional information on how to navigate military and veteran-related resources, contact: Nicol Jackson at Nicol.Jackson@alexandriava.gov 703.965.6279.
